### Speed recommendation for Speed for Multi Construction holesaws

Diameter in mm	Drywall and wood	Wood	PVC	Masonry
19–35	1000	1000	800	800
38–54	800	800	600	700
57–77	600	600	400	600
79–105	400	400	300	300
108–159	300	300	200	200

Bosch has many years of experience in the development and manufacturing of high-quality tungsten carbide teeth and holesaws. Thanks to this manufacturing expertise, the new Speed for Multi Construction holesaws offer you:

- ▶ Consistently high quality at an unbeatable price/performance ratio.

50% faster cutting speed in wood

**Robust tungsten carbide teeth for**

- ▶ an exceptionally fast drilling rate
- ▶ long life

**Specially shaped, large chip clearance slots for**

- ▶ a particularly fast drilling rate

**Power-Change adapter for**

- ▶ easy plug removal
- ▶ fast holesaw changes

**All it takes is a click!** Thanks to the new Power-Change adapter technology, you no longer have to screw the accessory on and off.

The plug is effortlessly removed by tilting the pilot drill bit.
